CIRCLE UP NOW

On July 12th, 2008, thousands of artists, activists and supporters of Amnesty International "Circled Up" in countries throughout the world to form over 24 Human Aerial Art Images in less than 24 hours in celebration and solidarity around the idea that every human being has the right to be treated with dignity and respect.

These images were representative of the articles of the United Nations "Universal Declaration of Human Rights" which is celebrating its 60th anniversary in December 2008. Amnesty International teamed up with 'Circle Up Now' to deliver this powerful "visual petition" consisting of thousands of participants worldwide to make an appeal to their leaders to honor and defend basic human rights.
